(May 2026 | Mumbai)

Long-Term Partnerships in Action: Project Spotlight

Beyond short-term initiatives, Transworld actively collaborates with NGOs on long-term projects, driving sustainable community impact through financial and capacity-building support. Here, we highlight one of these initiatives.

DID YOU KNOW? Over 1 million people die each year globally due to road traffic accidents!

Mission Disha: Driving Safer Roads Through Clear Vision

NGO Partner: Mission for Vision

Road safety remains a major public health concern, with **one road fatality occurring every four minutes in India**. Studies indicate that a large share of heavy vehicle drivers have undetected or uncorrected vision problems raising their crash risk by up to **81%**. However, **barriers to accessibility, affordability, and awareness** continue to limit their timely eye care, affecting both road safety and quality of life. **Since 2023, Transworld, through project 'Mission Disha',** is responding to this critical road safety challenge faced by heavy vehicle drivers, who are an integral part of our logistics ecosystem. Through targeted **eye screening camps at trucking points in Maharashtra and now expanding to Gujarat**, the project improves access to eye care for heavy vehicle drivers and support staff by providing free spectacles, referral to advance care and awareness on eye health and safer mobility.

Source: World Health Organization Fact Sheet

8,000+ drivers screened

94% spectacle usage compliance

4,200+ drivers given free spectacles

400+ accidents potentially avoided

Impact for the period 2023 – 2026
